MUNICIPAL COMMISSIONER,

To

Syed Abdul Aleem, Esq , B A ,
Secretary to the Government of Mysore,
Revenue Department, Bangalore

I have the honour to state that Mr P Venkataraya-Reddy, Head Clerk on Rs 52/- in the grade of 50-2-60 transferred from the Revenue Department to this Municipality joined duty on 12-2-1943 and that his annual increment which fell due on 5-1-1944 was sanctioned in this office, thus raising his pay from Rs 52/- to Rs 54/- from 5-1-1944 His next increment raising his pay from Rs 54/- to Rs 56/- with effect from 5-1-1945 could not be sanctioned as the official was on leave without allowances from 23-6-1944 for 6 months This had to be postponed till the next date of accrual of increment viz 5-7-1945

As this official did not qualify himself by passing the L S G Examination within a period of 2 years from the date of transfer to this Municipality, as laid down in G O No L 8181-203/M1 126-41-4 dated 10-3-1942, his increments accrued on or after 12-2-1945 could not be sanctioned In view of his having passed the Departmental Examination (Municipal & Local Board Examination) held in May 1947 and his satisfactory work throughout in this Municipality, I have sanctioned arrears of increments from the due dates (viz , Rs 56/- from 5-7-45 and Rs 58/- from 5-7-1946) under the enhanced powers vested in me as per Government Order No 149-201/F1 253-41-2 dated 8-7-1942

When the bill relating to the arrears of increments

p t o

as sanctioned above, was presented for audit it was returned with an observation to the effect that the official is only eligible to draw increments from the date of passing the Municipal & Local Boards Examination (vide copy of audit objection enclosed for kind reference) I may state in this connection that, had the official continued to serve in the Revenue Department, he would have earned his annual increments, as he has passed Revenue Higher and Accounts Examinations

I request that approval of Government may kindly be obtained for the action in having sanctioned arrears of increments in this case as otherwise this deserving official would be hard hit despite his qualifications and satisfactory work

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Re Supplemental pay bill of the Commissioner's office for the month of July 1947

Returned with the following remarks

The following Government Orders viz , G O No L 7487-507-M1 151-32 -15 dated 18th April 1934, G O No 6-105-C R B 1-34-1 dated 3rd July 1934 and G O No L 5921-5-M1 11-46-53 dated 13th November 1946 enjoin that all officials serving in the Local Bodies should qualify themselves by passing L S G Examination for any kind of promotion to posts carrying a salary of Rs 25/- and above Regarding such of the officials who are transferred from the Revenue Department and vice versa G O No L 8181-203 M1 126-41-4 dated 10-3-1942 further enjoins that these officials also should pass both the examinations i e Revenue (higher or lower and L S G within 2 years of their transfer to either of these Departments and that officials who do not so pass the examinations will not be eligible to earn their increments in either of the departments, after the period of two years

This official under question for whom increments are claimed retrospectively comes from the Revenue Department and reported to duty on 12-2-1943 in this Municipality He has however, as seen from his application to the Commissioner, passed the Revenue (Hr) and Accounts (Lower) Examinations thus qualifying himself to draw the increments had he continued in the Revenue Department But as he was transferred to the Local Body in February 1943, he is further required to pass the L S G Examination within 2 years (i e , within 12-2-1945) in addition to the Examinations already passed, to enable him to draw the increments as per G O of 1942 referred to already As two years time is fixed to pass the examination, the increments that fell due between 12-2-1943 and 12-2-1945 are however admissible But the official has already drawn one increment raising his pay to Rs 54/- from Rs 52/- in the grade 50-2-60 from 5-1-1944 Another increment which fell due on 5-1-1945 had to be postponed to 5-7-45 as he was on L / A from 22-6-1944 to 21-12-1944 This official has passed the prescribed examination for the Local Bodies only in May 1947 after a lapse of nearly 4 years In the light of the Government orders already referred to in para 1 supra increment is due only from the date of the passing the examination As such the question of arrears of increment as represented in the office note does not arise

In the above circumstances, the increments claimed retrospectively are not admissible in audit
